Speaker #1:

Speaker #2:

Speaker #3:

Please note that in the interest of building the most robust and useful sessions possible, the Business Group may combine multiple proposals into one session or suggest additional employer speakers to augment a session.

III. DESCRIPTION OF PROPOSED SESSION

Please describe your session here. Review the **session selection criteria** and tailor your description to explain how your session will meet these standards (**500 words or less**). If your proposed session includes a non-employer expert, please include any relevant video clips or manuscripts that showcase his or her expertise related to the topic.
